3RD INTERNATIONAL KNOWLEDGE FORUM: RESEARCH AND INNOVATION

SEPTEMBER 20TH, 21ST AND 22ND 2021 | ONLINE | ON MICROSOFT TEAMS

VIRTUAL FORUM

The Postgraduate and Research Department at the Faculty of Architecture of the Universidad Autónoma de Nuevo León invite:

Researchers, research groups, graduates, teachers and those interested in innovating research and education, architecture, urban planning and design to submit their presentations to the:

3RD INTERNATIONAL KNOWLEDGE FORUM.

INTRODUCTION

The School of Architecture of the Universidad Autónoma de Nuevo León through its Postgraduate and Research Department, as an institution dedicated to educating professionals and researchers, has created a space devoted to spreading knowledge. This will be its third international edition.

3rd

U

INTERNATIONAL KNOWLEDGE FORUM

GRADUATE STUDIES & RESEARCH

The **3rd International Knowledge Forum**, organized by the Faculty of Architecture at the Universidad Autónoma de Nuevo León, is composed by a series of lectures, conferences and round tables with the participation of local, national and international experts. The Forum's main focus is to expand knowledge and to promote both scientific and innovation work from different academic bodies and researchers. The attendees will have the opportunity to know about the experts' experiences, which will contribute to their own professional development and their impact on society.

MAIN TOPICS

RESEARCH | INNOVATION

- ARCHITECTURE
- URBAN PLANNING
- DESIGN
- DESIGN, ARCHITECTURE AND URBAN PLANNING EDUCATION

3rd

U

INTERNATIONAL KNOWLEDGE FORUM

GRADUATE STUDIES & RESEARCH

GOALS

- Democratize the interaction of specialized knowledge in different areas.
- Acknowledge foreign expertise and research and to learn from them.
- Encourage the interaction between the academy with foreign specialists.
- Promote the integration of scientific knowledge and culture.

GUIDELINES FOR SUBMITTING PRESENTATIONS

1. Those interested must send an abstract with the following characteristics: 300 words (max.), PDF format letter size, font: Times New Roman, font size: 12 points, line spacing: 1.5. Include the author's or authors' personal information, the title of the presentation, specify the main topic(s), add 3 to 5 keywords. Abstracts must be in English and Spanish. Send this information to the email address: ficfarq@gmail.com
Abstracts will be received between July 5th and July 30th, 2021. Submissions are totally free of charge.
2. The Forum Committee will notify authors about accepted submissions on August 25 and 26, 2021.
3. The complete presentations must be sent in PowerPoint and PDF files to the email address: ficfarq@gmail.com between **September 6th and September 10th, 2021.**

GRADUATE STUDIES & RESEARCH

4. Works can be about research results, project analysis or theoretical contributions.
5. Maximum number of authors: 4. Furthermore, only 1 or 2 speakers must be selected to give the presentation.
6. Presentations must be accepted by the Forum Committee first to grant Participation Certificates to the experts and researchers involved.
7. The **3rd International Knowledge Forum** Committee will accept submissions in Spanish and English.
8. Presentations must be original and unpublished, and prepared exclusively for the **3rd International Knowledge Forum**, besides following all the previous guidelines stipulated by the Forum Committee.
9. Not participating as a speaker during the **3er International Knowledge Forum** does not impede the inclusion of an author's manuscript in the **3er International Knowledge Forum Journal**. Those interested in submitting their texts must follow the guidelines below.

MANUSCRIPT FORMAT

For those speakers or authors who wish to publish a manuscript about their conference, once they have sent the complete presentations between the 6th and 10th of September 2021, they will have the opportunity to submit their work. Then manuscripts will go through several reviews. Those accepted will be published in the **3rd International Knowledge Forum Journal**.

For those interested, follow these guidelines:

1. Manuscripts must be presented in letter size, single spaced, in Times New Roman font of 12 points, with an extension between 4,000 and 10,000 words presented in a maximum of 25 pages (including tables, figures, bibliographic notes and references).
2. Add the 300-word abstract and the 3 to 5 keywords you previously sent.
3. Manuscripts should be written on Microsoft Word and then sent in PDF format.
4. Quotations must follow the APA format (6th edition).
5. Complete bibliographic references will appear at the end of the manuscript, not in the footer.
6. On the first page, next to the authors' names, there must be a reference number with its note in the footer specifying the authors' institutions and their email address.
7. Authors must specify if they had financial support to develop their research and manuscript.

GRADUATE STUDIES & RESEARCH

8. Submissions cannot be withdrawn from the review process once sent to the Forum Committee nor sent to other publishers.
9. Illustrations and pictures must be sent in a separate file in JPG format (250 DPI).
10. Manuscripts must not contain the authors' institutions or affiliations, unless it is required.
11. Manuscripts will go through a peer-review process carried out by an external and specialized committee. Manuscripts can only be published after being accepted by said committee.
12. The acceptance of a presentation does **not** guarantee the inclusion of manuscripts in the **3rd International Knowledge Forum Journal**.
13. Therefore, all manuscripts must be original and unpublished, written exclusively for the **3rd International Knowledge Forum**, following all the previous requirements as well.
